Inductive sensors

## Inductive proximity switch

## IFRR 12N17T1/S14L-9

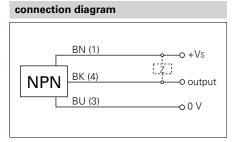

| general data                |                 |
|-----------------------------|-----------------|
| mounting type               | flush           |
| special type                | Washdown design |
| nominal sensing distance Sn | 4 mm            |
| hysteresis                  | 2 15 % of Sr    |
| output indicator            | LED red         |
| approvals/certificates      | Ecolab          |

| electrical data                          |                        |
|--|------------------------|
| switching frequency                      | < 1 kHz                |
| voltage supply range +Vs                 | 10 30 VDC              |
| current consumption max. (no load)       | 10 mA                  |
| output circuit                           | NPN make function (NO) |
| voltage drop Vd                          | < 2 VDC                |
| output current                           | < 200 mA               |
| output current (at cleaning temperature) | < 100 mA               |
| short circuit protection                 | yes                    |
| reverse polarity protection              | yes                    |
|  |                        |

| mechanical data         |                                   |
|-------------------------|-----------------------------------|
| type                    | cylindrical threaded              |
| material (sensing face) | LCP                               |
| housing material        | stainless steel 1.4404 (V4A); LSR |
| dimension               | 12 mm                             |
| housing length          | 60 mm                             |
| connection types        | connector M12                     |
|                         |                                   |

| ambient conditions    |                         |
|-----------------------|-------------------------|
| operating temperature | -40 +80 °C              |
| cleaning temperature  | 80 +100 °C (30 min/day) |
| protection class      | IP 68/69K & proTect+    |
|                       |                         |

- Sensor FDA compliant and Ecolab approved
- LSR = Liquid Silicon Rubber
