AUTHORIZATION LETTER

We hereby confirm that **Ilke Otomasyon** is the officially authorized distributor of Baumer International GmbH in Turkey.

As an authorized distributor, **Ilke Otomasyon** is authorized to promote, offer, and sell the product portfolio of Baumer International GmbH listed below within Turkey. In addition, **Ilke Otomasyon** is responsible for fulfilling all relevant service requirements and providing comprehensive customer support in Turkey.

- Sensors, proximity switches and light barriers for object and position detection.
- Smart Vision Sensors
- Industrial cameras/ image processing
- Identification units for 1D/2D codes and texts
- Rotary encoders/ angle sensors
- Inclination/ acceleration sensors
- Process sensors
- Force sensors and strain sensors
- Displays
- Cable/connectivity
- Format adjustment

This authorization is granted to support the continued growth and representation of the Baumer brand in Turkey.

This agreement is valid until January 2027 and will be extended in time.

Yours sincerely,

Baumer International GmbH
