

USB-C Flex Adapter

Article Number: 11729127

Overview

- Fast and easy connection of process sensors to the Baumer Sensor Suite
- Perfectly suited for parametrization of Flex and IO-Link devices
- Convenient adapter for desktop and mobile use
- Power supply via USB-C
- Specifically designed for the needs of engineering and service

Technical data

General data

Communication Interfaces	USB-C IO-Link Flex
Software	Baumer Sensor Suite
Electrical data	
Connector	USB-C Female M12 5-Pol, A-coded Push-In connector
Power supply	5 V
Power Consumption	155 mA

Mechanical data

Model	Cubic
Enclosure	PP
Width	70 mm
Height	31 mm
Depth	130 mm

Environmental conditions

Operating temperature	0 °C ... 70 °C
Storage temperature	- 40 °C ... 70 °C

Dimensional drawings (mm)
